QUESTIONS

- THIS WILL BE PLATFORM FOR TEACHER LETTING HIM ADD QUESTIONS AND ANSWERS TO THE GAME
- AFTER ACCEPTATION. FIELDS WILL CLEAR THEMSELVES. THAT WAY WE CAN EASILY ADD ANOTHER QUESTION

The screenshot shows a user interface for adding questions. It features a text input field labeled "Pytanie" at the top. Below it are four rows, each with a text input field for an answer (labeled "odp A", "odp B", "odp C", and "odp D") and a checkbox labeled "Prawidłowa". At the bottom of the form are two orange buttons: "Dodaj" and "Zatwierdź".

<input type="text" value="Pytanie"/>	
<input type="text" value="odp A"/>	<input type="checkbox"/> Prawidłowa
<input type="text" value="odp B"/>	<input type="checkbox"/> Prawidłowa
<input type="text" value="odp C"/>	<input type="checkbox"/> Prawidłowa
<input type="text" value="odp D"/>	<input type="checkbox"/> Prawidłowa
<input type="button" value="Dodaj"/>	
<input type="button" value="Zatwierdź"/>

- IF PLAYER STANDS IN A CORRECT ANSWER FIELD AFTER THE COUNTER HITS 0 HE WILL GET POINTS. AFTERWARDS NEXT QUESTION WILL APPEAR ON THE SCREEN.

IDEAS, NEXT STEPS

- OUR GOAL IS TO CREATE "CITY" WITH MANY OPTIONS FOR TEACHER TO INTEREST AND TEACH STUDENTS. PROVIDING ENTERTAINING SPACE FOR STUDENTS TO WALK AND DISCOVER PIXEL WORLD WHICH WILL HAVE MANY SIGNS AND SCULPTURES WITH SUITABLE DESCRIPTION.
- AS YOU CAN SEE WE MANAGED TO MAKE PROTOTYPE OF SIMPLE AND INTERESTING QUIZ. OTHER IDEAS WE HAVE IN MIND ARE GAMES BASED ON QUIZES BUT WITH MORE COMPETITIVE ACTIVITIES FOR PLAYERS THAT EVERY OTHER GAME WILL SEEM DIFFERENT THAN PREVIOUS.
