- PROJECTS:** A row of five project cards. The first four are labeled 'PROJECT NAME' and each has a 'Show more' button below it. The fifth is a 'NEW PROJECT' button with a red plus sign. Two callouts point to icons on the project cards: 'go to board view' and 'go to map view'.
- TASKS:** A table with columns for Task ID, Project name, Task description, User, and Points. It lists four tasks, all with ID 'TSK-2589' and assigned to 'Simon', each with 12 points.
